

**096. Life's train**

**1.**

You're on your way now, visions flying by  
Your life in pictures, as you look at rain  
Feel no sensation, always in straight lines  
You feel no changes, while you're on this fast train

You've got your ticket, there's only one way  
The time seems endless, the window turns black  
These moving pictures, tell me this is real  
You feel no changes, think you're on the fast track

**Refr.:**

Life's train  
Train on one way  
You'll never know tomorrow,  
whether bliss or sorrow,  
there's just no way to go back,  
so just live for the day

**Interlude:**

You're not the driver, just part of the game  
You're no decider, you watch who else came  
No way to turn 'round, you're stuck on this ride  
and now you face the choices,  
should you leave or stay on

Can't make no changes, can't go any way  
Let's see who gets on, let's see how this plays  
No way to turn 'round, you're stuck on this ride  
and now you face the choices,  
no way to get off half way

**2.**

You look around you, images of life  
Some ride in style while, some somehow hang on  
A place to stand now, is just good enough  
should I remain here, this just takes so damn long

Some travel in furs, some travel in rags  
First class perfection, no hassle no strife  
It doesn't matter, we'll meet in the end  
Just can't be right now, this just can't be my life

**Refr.:**

Life's train  
Train on one way  
You'll never know tomorrow,  
whether bliss or sorrow,  
there's just no way to go back,  
so just live for the day

**Interlude:**

Can't change your ticket, just hop on aboard  
You're no decider, are we in accord?  
Wait on the platform, don't miss the next change  
and now you face the choices,  
should you leave or stay on

Can't make no changes, can't go any way  
Many connections, just no way to say  
what is the best way? Uncertainty reigns  
and now you face the choices,  
no way to get off half way

**Refr.:**

You'll never know tomorrow,  
whether bliss or sorrow,
